RE: RCC Minnesota Inc. Certification of Support Pursuant to 47 C.F.R. Sections 54.313-314,
CC Docket Nos. 96-45 and 00-256 (Minnesota PUC Docket No. P6182/M-07-243)

Ms. Dortch and Ms. Majcher:

Attached is an Order dated April 25, 2007 from the Minnesota Public Utilities Commission
expanding RCC Minnesota, Inc.'s ETC designation for additional service areas in the State of
Minnesota.

The Minnesota PUC hereby certifies that federal high cost support provided to RCC in this state for
the newly designated areas will be used only for the provision, maintenance, and upgrading of
facilities and services for which the support is intended consistent with section 254 (e) of the
Telecommunications Act of 1996. This letter supplements an earlier certification issued on
September 26, 2006 in MPUC Docket No. P999/M-06-616 and intends to ensure that RCC receives
high-cost universal service support on the date of the Company's ETC destination for the additional
areas listed in the attached exhibits.

RCC has certified to the MPUC that all federal high-cost universal service support received by the
Company in Minnesota will be used pursuant to Section 254(e) of the Act.

If you have questions, please contact me at your convenience.

Sincerely,

Mack E. Oberlander for
